

## **SCHOOLS COMPETITION for CRAFT DESIGN & TECHNOLOGY students**

Are you designing a product as a CDT project?  
Are you using ergonomics to improve your design?  
Then enter this competition by telling us about it  
and win a **cash prize!**

### **What you can win**

**£200** for your individual entry  
**£100** for each of up to four for a group entry  
PLUS **£500** for your school

### **What you need to do**

Write a **1000 word summary** about your project,  
with the emphasis on ergonomics, and get your  
teacher to sign it as your own work.

Send photocopies of any relevant **short extracts  
from your project** report including information  
about the product function, user groups, design  
features, details of tests made, etc.

Send photocopies of any **drawings** that you  
submitted with your report.

Send **photographs of the product**, preferably in  
use.

### **Do not send the product itself!**

Only one entry is permitted from each school.  
The deadline date for submission is **1st May 2004**

Send your entry to:

The Ergonomics Society  
Devonshire House  
Devonshire Square  
Loughborough LE11 3DW

The cash prizes form the Stephen Pheasant Memorial Award. The Award is financed by a fund established in memory of the late Professor Stephen Pheasant. He was renowned for his work in ergonomics and design. Young people working and studying in these areas always had his support.
